

Food for Life Inspires!

Thursday 13th February 2025

Sheffield Manor Lodge, 389 Manor Lane, Sheffield, S2 1UL

This inspiring training day will showcase an integrated and practical approach to learning in the classroom and outdoors.

A **seasonal recipe** will be the basis for growing, cooking and farm-linked activities that introduce you to the Food for Life approach including food education and the FFL Award and its criteria.

This practical day will enable you to get started on (or continue) your Food for Life journey by providing ideas and activities to use back at school, giving you the confidence and skills to begin leading cooking, growing and farm-linked activities.

Book your FREE place now by emailing Lisa Aldwin, Programme Manager for Eat Smart Sheffield: lisa.aldwin@learnsheffield.co.uk
